GAUGUIN

STUDIO CLAUDIO BELLINI DESIGN

Disegnato ricercando forme simmetriche e proporzioni equilibrate, Gauguin esprime l'incontro perfetto tra un design moderno e minimale e un comfort avvolgente ed impeccabile. Lo stile rigoroso dei piedini in metallo contrasta con la morbidezza dei rivestimenti, bilanciandosi in una raffinata armonia.

Designed with symmetrical lines and equilibrate proportions in mind, Gauguin is the meeting point between a modern, minimalistic design and enveloping comfort. The rigorous style of the metal feet is in contrast with the sofa's softness, creating an elegant harmony.
